Respected Sir,

Subject: Confirmation on the selection of Internship candidate

This is to confirm the candidate (Dinesh S) 3rd year of BSC has successfully secured an internship with our organization. The internship covers training over Big-data concepts and usage of SQL and python are predominant during this course and he is also subject to work on other domains of our organization as this part of the internship. The duration of the internship is of 3 months starting from 02/01/2023.

Thanking you

Regards,
